Dear Hiring Manager,

I am writing to apply for the Summer Camp Counselor position at Lakeside Day Camp. As a math tutor at the Springfield Library, I have spent the past year working with middle school students, and I enjoy helping kids feel confident.

I am patient, organized, and I love being outdoors. Last summer I mapped trail markers for the City Parks Department, so I know how to keep a group safe on a hike. I would be excited to bring that energy to your campers.

Thank you for considering my application.

Sincerely,
Alex Doe
